YEAR IN REVIEW: Major projects that broke ground in South Florida in 2016

Dec 15, 2016, 1:17pm EST

INDUSTRIES & TAGS [Commercial Real Estate](#), [Construction](#)

It's been a busy year for ceremonial silver shovels and construction cranes in South Florida as dozens of major projects have broken ground in 2016.

The residential, industrial, retail and hotel markets were especially active with new developments. The strong demand for construction workers is one reason that development costs have increased.

The 27-acre Miami Worldcenter, featuring a 512-unit condo and street-level retail, broke...
